Five of these wish to remain in the old village and the remaining 25 are anxious to vacate it stating that it has not proved prosperous to them and that they have sustained loss of men and cattle. It is therefore recommended that the proposed grant of site may be made for the benefit of the majority, the proportionate assessment to be fixed by the Survey Dept. on the portion of the land to be alienated being permanently remitted.

Proceedings of the Government of Mysore, Financial, dated 13th July 1896.

READ:—

Docket No. 4088-1081, dated 23rd April 1896, from the Deputy Commissioner of the Kolar district.

(2) Letter No. 1075, dated 3rd June 1896, from the Superintendent, Revenue Survey, in Mysore.

No. 486-95—Fl. 45, DATED, BANGALORE, 13TH JULY 1896.

ORDER THEREON.—With the first of the letters above recorded the Deputy Commissioner submitted for sanction a bill in favor of Shanbhog Muniappa for Rs. 5-0-9, being the sale proceeds of survey No. 72 of the Sugatur village, Kolar taluk, recovered from him and credited to the treasury, but proposed to be refunded to him owing to the sale having been subsequently cancelled and the land set apart as a grave yard as per Survey Superintendent's yadi No. 56 of the 3rd February 1892.

2. The propriety of setting apart Government assessed land as a burial ground without Government sanction not being apparent, the Superintendent, Revenue Survey, was called upon to report the circumstances under which he authorized such a measure without previous reference to Government.

3. Colonel Grant now reports that the land in question which was resigned about 7 years ago and was being actually used as a burial ground was allotted for the said purpose on the recommendation of the Deputy Commissioner, but that it would have been more regular and in accordance with Rule X, para 1 of the Land Revenue rules to have obtained the sanction of Government to such assignment. He seems to have construed Section 39 of the Land Revenue Code as empowering the Survey Officer to make the assignment subject to the general orders of Government, and he now requests that the action taken by the Survey Department on the recommendation of the Deputy Commissioner may be confirmed.

4. Under these circumstances, the cancellation of the sale of the land in question is approved and the refund bill submitted by the Deputy Commissioner is sanctioned (the name of the purchaser being corrected from Muniappa to Ramappa) and transmitted to the Comptroller for audit. The Deputy Commissioner will submit for formal sanction a statement in the prescribed form showing the particulars of the land in question assigned as a burial ground.

5. Section 39 of the Land Revenue Code obviously gives the power of reserving Government land to Survey Officers under the general or special orders of Government only during the time when survey operations are in progress.

Enclosure No. 1 & 1 Pelle

Have the honor to submit herewith for sanction a statement showing the particulars of land measuring 2 acres and 5 guntas out of Survey No. 7 attached to the Pakamakalpalli village, Goolur Hobli, Bagepally Taluk proposed to be alienated for building purposes. Some houses have already been built upon the site in question by

by the ryots as the old village was very unhealthy. It is reported that the owners of the proposed land have parted it in favor of the ryots, without claiming any compensation therefor. Under these circumstances the Undersigned recommends that the proportionate assessment, to be fixed by the Revenue Survey Department be written off the accounts and the lands referred to alienated in favor of the ryots for building the new village. The old village site is stated to be rocky and unfit for cultivation and it may therefore be left as kharab.

READ THE FOLLOWING PAPERS :—

(1). Docket No. 10987—R. 4327, dated 16th June 1896, to the Superintendent of Revenue Survey in Mysore.

In forwarding herewith in original with enclosures (to be obligingly returned) docket No. 4240—1153, dated 6th May 1896, from the Deputy Commissioner, Kolar district, submitting for sanction an alienation statement in respect of certain lands proposed to be taken up for building purposes in the Tayelur village, Mallinayakanahalli hobli, Mulbagal taluk, has the honor to request the favor of the Survey Superintendent's opinion whether the small reductions of assessment proposed therein may, under the rules in force in the Survey Department, be made in consideration of the occupiers of the lands having to give up the portions of their holdings taken up by Government. Requests further that the principle observed in such cases by the Survey Department be explained for the information of Government.

(2). Letter No. 2, dated 1st July 1896, from the Superintendent of Revenue Survey in Mysore.

In returning enclosures received with your docket No. 10987—R. 4327, dated 16th instant, I have the honor to forward copy of a letter No. 1 of to-day's date addressed by me, on a purely similar case, to the Deputy Commissioner of Kolar. The akarbands must be altered as regards *area* even although under the "Dhar Sod" rules the assessment may be unaffected.

(Enclosure).

In reply to your docket No. 4766—2477, dated 13th June 1896, I have the honor to point out that although the assessment may not, under the "Dhar Sod" rules be affected the *area* will certainly be affected and the akarbands therefore will have, in all cases, to be corrected. The work in fact will have to be done in the Survey office. Under these circumstances, there is no object in supplying a "Dhar Sod" table to the revenue authorities. It would be better in cases like those under reference for the Revenue authorities to enter no assessment at all in column 11 of the alienation statement and then when the akarbands are received back from the Survey office the proper assessment to be collected will be at once apparent.

No. 639-47—R. 262, dated, Bangalore, 18th July 1896.

Order thereon.—Government direct that, in future, the proportionate assessment to be written off the accounts on account of portions of survey numbers proposed to be alienated for building or other purposes need not be shown in column 11 of the alienation statements submitted by Deputy Commissioners, all that is required being a note in the column of remarks that such assessment will have to be fixed by the Survey Department. In the event of such alienations being sanctioned by Government, the *akarband* will be revised according to rules by the Superintendent of Revenue Survey and due intimation thereof given by him to Deputy Commissioners.
